

PHOBIA

Jou have a persistent, excessive, unrealistic fear of an object, person, animal, activity or situation. Choose or roll on the following table, or choose a different stimulus. When within (Severity Degree) × 10 feet of the phobic stimulus, you must succeed on a DC 8 + (Severity Degree) Wisdom check each round or have a -1 per Severity Degree penalty to all Intelligence, Wisdom, and Charisma ability checks due to distraction, and you must succeed on a DC 8 + (Severity Degree) Wisdom saving throw to maintain concentration on an applicable spell each round. This symptom always has a Triggered Time of Disability, and you may choose or roll more than one *Phobia*.
